

Peakman Green Statement

Intelligent Sustainability

We at Peakman Management Group make a deliberate effort to operate our business in an environmentally responsible manner. We are committed to complying with all applicable environmental laws and regulations and recognize that reducing the environmental impact of our service and product offerings, as well as our operations, is an important part of the value we deliver to our clients.

We strive to achieve environmental excellence and work with our employees, customers, partners and suppliers to meet the following environmental commitments:

- Comply with applicable environmental laws and regulations and operate our business unit with all necessary environmental permits, approvals and operational controls.
 - Design our services to be safe to use and to minimize their environmental impact while meeting all applicable government environmental standards and regulations.
- Promote relevant Green initiatives by way of our employees, strategic partners and suppliers.
 - Be guided by the principle of continuous improvement of environmental performance.
 - Train employees on our policy and instil environmental responsibility as a corporate value.
- Strive to buy, sell and use environmentally friendly products whenever the marketplace allows.
- Continuously review our Environmental Green Statement and ensure it remains appropriate to the nature, scale and environmental impacts of our activities, products, and services.
 - We achieve a high level of performance by incorporating these objectives into our business planning and decision-making to ensure our goals are achieved.
